Re: Ulku Rowe v. Google LLC, No. 19-cv-08655

Dear Judge Rearden:

We are writing jointly in response to Your Honor's request at the February 10, 2023 status conference for trial availability through September 2023. The parties and a majority of witnesses are available for a ten-day trial on the following dates, if Your Honor's calendar can accommodate. We respectfully request that once the Court sets a trial date, the parties be given leave to amend sections G and H of the Joint Pretrial Order (ECF 285) to account for any expected witness unavailability on those dates.

- August 14, 2023 – August 25, 2023
- August 21, 2023 – September 1, 2023
- September 4, 2023 – September 15, 2023
- September 18, 2023 – September 29, 2023

Respectfully,

/s/ Kenneth W. Gage
